A Message from Our Director

We are back with a newsletter, with the pandemic and the changes in our process it was a challenge to get a newsletter out. As many of you are probably aware, our entire process has changed and we see students curbside only to keep everyone safe and healthy. At this point, we are unsure what next school year will bring for our process, back to pre-COVID procedures, hybrid procedures or continue with curbside procedures, that decision will be made after July 1st. As with most

non-profits fundraising has been a challenge with the continued restrictions, please watch for events in the future, we would appreciate your support.

So far this school year we have seen more than 1,400 students and as some students begin to return to in-person learning we are beginning to see a significant increase in the number of referrals we are receiving. In the newsletter you will see our list of needs, please share this information with others so we can

receive the much needed assistance.

If you are a referring agent, please be aware that our referral forms change each semester. The last day we will be accepting referrals for this semester will be **May 3rd**, after that date we will not accept any additional referrals. **Our last day to serve students will be May 13th, 2021.**

Thank you for supporting our students.

Kim Kerschen
Director
